

Certificate

Herr Amer Alattar

successfully attended the International Summer School Programme of the Technical University Berlin

International Management

from 28th September to 8th October 2015.

The Summer School dealt with the following topics:

- Corporate activity abroad
- Cooperation with international business partners
- Intercultural management and communication
- Multinational corporations
- Public Private Partnerships
- Development cooperation and technology transfer
- Financing of international development projects

The program of the Summer School included seminars and workshops with lecturers from companies and universities as well as from international development organisations.

The participants of the Summer School prepared a written report of the topics mentioned above.

Dr Ingo Meyer
Seminar Director

Berlin, January 28, 2016
