

Certificate

Mr Amer Alattar

successfully attended the International Summer School Programme of the Technical University Berlin

Management and Project Management

from 1st September to 14th September 2015

The Summer School dealt with the following topics:

- Project and Innovation Management
- Marketing
- Business Strategies
- Process Optimisation
- Technology Transfer and Production Abroad
- Career Start and Professional Development
- Company Presentations and Case Studies from the Field-Experience of Daimler AG, Bayer AG and Bombardier Transportation

The program of the Summer School included seminars and workshops with lecturers from companies and universities. Additionally, the group visited a BMW motorcycle plant in Berlin. The participants of the Summer School prepared a written report of the topics mentioned above.

Dr Ingo Meyer
Seminar Director
